CARE INSTRUCTIONS

CODE - RP-E-1701 P

REVISION 18.03.19

REVISED BY: IP

Rakumba

1. Pendant should always be cleaned with Windex and microfiber cloth.
2. To change the light globe gently lift the shade and move it up the flex suspension exposing the light globe. Change globe and gently place shade back onto suspension cross bar.
3. When changing globes always be careful not to scratch the stem assembly.
