			TYPOGRAPHY RAIL (REFER TO SYSTEM DATA SHEET)

Studio Truly Truly is a design studio operating from the Netherlands, founded by Australian designers Joel & Kate Booy. Positioned on the interface between industry and art, the studio specialises in creating artistic products for the living environment.

Rakumba has been producing custom-made feature lighting for the Australian design industry since 1968. Collaborating with designers across a wide range of sectors from commercial to residential, we take pride in our bespoke service, attention to design detailing and ability to deliver on any scale of project.
