Typography Floor Lamp

Design: Studio Truly Truly

TYPOGRAPHY is a graphic lighting system, reflective of the multi-disciplinary talent of its designers and the manufacturing and specialist technical abilities of Rakumba. Drawing from the artistic and harmonious collection of TYPOGRAPHY fittings, the floor lamp offers an unprecedented opportunity to create endless expressions in a portable luminaire. Each light can be positioned anywhere along the length of the stand and on any of four locations around the central axis. Wireless dimming enables balanced illumination effects to complete this luxurious high performance lamp.

Studio Truly Truly is a design studio operating from the Netherlands, founded by Australian designers Joel & Kate Booy. Positioned on the interface between industry and art, the studio specialises in creating artistic products for the living environment.

Rakumba has been producing custom-made feature lighting for the Australian design industry since 1968. Collaborating with designers across a wide range of sectors from commercial to residential, we take pride in our bespoke service, attention to design detailing and ability to deliver on any scale of project.
